APRIL 2015

EVANGELIZATION AND PRAYER

-----MAKE THE FOLLOWING YOUR DAILY PRAYER-----

*Lord we are your people.
Please, dear Lord, work through Your Knights of Columbus
That we will respond to give healing to the wounded,
That we will give of self,
So we may touch those in pain, cleanse the soiled, warm the cold.
Help us to know the Father's love through you and through your Spirit.
Help us to liven up that love and show it all over the land.
Help all of us, as Knights, to build love on justice.
Help us, dear Lord, in our efforts at our Knights of Columbus facility,
that we may better serve in our ministry to you.
Renew the Knights of Columbus that we may help to renew the face of the earth.*

KC MEMORIAL DONATIONS

Remember to look for the "Blue Memorial Envelopes" when you are considering making a memorial donation for a friend or a loved one. These envelopes are located at the funeral home and also at the entrances to the Church. This continues to be an excellent way to support our council, while also paying tribute to the individual/s who have gone before us. We would very much like to have this process move along as quickly as possible so that the grieved and the donor receive their acknowledgments soon after the donation is made. If you have a memorial that you would like to give please send it to the following address:

Knights of Columbus, 462 Amber Lake Drive, Fairmont, Minnesota 56031

If you, as a member, have been given a memorial to turn in for someone else, please make every attempt to get it to Tom Johanneck (at the above address) as soon as possible. Tom, thank you for providing this service to our council for the past several years.

COMMITTEE'S IN OUR FACILITY

Thank you to all members who were involved in the **success** of our council during the month of January. The running of our facility certainly takes a great deal of commitment from all of us, as members, in order to run as smoothly as it does. Your willingness to give of your time is without question the reason for the great amount of success that we have experienced--thank you!!!! If you are scheduled to help on a various committee **PLEASE** do your best to do so. It is certainly understandable that you can not always help when asked to do so, if this is the case, **please find a substitute if you can not help when assigned** (trade with a member on another committee). Please also let the captain of your committee know that you will not be able to help and that you have found someone to take your place. All the duties that we do at our hall are certainly manageable when the members asked to help are able to do so. The duties become much more difficult when the volunteers are reduced and the members present have to pick up the slack. We, as a council, have certainly accomplished great things because of the support that we have received from you our members. Please help us continue our success by your involvement. **If you are not able to be involved, or would rather be assigned to some different duties PLEASE contact Andy Lucas at 238-1213 and the schedule will be adjusted accordingly.** Time is our most valuable asset and the sharing of this asset is the true measure of **success**. **Success** that is not measured in the amount of financial wealth you have accumulated, but rather measured by the feeling that you have in your heart when you put the interest of others before your own. This feeling is something that money can not buy, but rather is the instant gratification for a job well done. Thank you to each member for the contributions that you have made in our quest to make the Fairmont Area a little better place in which to live. **The following are the Bar, Dish, & Security activities scheduled for the months of**

SECURITY

We are in need of members who would be interested in helping with "Security" duties. We presently have '4' members who serve on our security committee and they rotate these duties (Joe Schaffer, Tim Siegler, Pat Bulfer & Bill Rosa). Security is normally only needed when our bar is open and depending on the number of rentals at our facility, security committee members will work about once every fifth week in the busy summer months and less frequently during the slower months. If this is something that you would be interested in trying please call our Joe Schaffer at 507-920-8472 for additional information.

INSCRIBED PATIO PAVERS

Inscribed Patio Pavers are still available for anyone who might be interested in their purchase. The cost for each paver is \$125. and this will include up '3' lines of printing, with up to '23' characters per line. These pavers will be put into our patio area and as additional ones are sold, four existing brick pavers (that do not have any names on them) will be removed and the inscribed pavers will be added in their place. This continues to be an excellent way to permanently recognize your family or to memorialize a loved one. We still have a few blank pavers available and are now in the process of placing an order getting them inscribed with names of individuals who have purchased them. The cost for inscribed pavers will be increased once the available ones have been sold. If you are considering a purchase now is the time to do so before the price increases. Contact Red Holland today at 728-8812 for additional information or to place your order. Once again this continues to be a great way to support our council, while at the same time establishing a permanent way to recognize your family or to memorialize a loved one. We also have 16" X 16" pavers at a cost of \$400. Contact Red today at 236-1637 for more details!
